

Participant Information: Pre-Registered Programs

Program Dates/Times

- Young Artists: Wednesdays from 6 – 6:45 PM
 - Please view our website for program session dates.

Participant Capacities

Participant capacities are based on the space available for a physical distance of 2-metres to be maintained with consideration to program materials that are set up for each program.

Program	Max. Capacity
Young Artists	12 persons

Registration and Payment

- Registrations will be taken online or over the phone:

Online

- To register online, visit: <https://forms.parrysound.ca/Recreation-and-Leisure/Recreation-Programs/Youth-Recreation-Program-Registration> and complete the registration form.
- Payment can be completed online via credit card at the time of registration.

Phone

- To register by phone, call the Community Recreation Programs Coordinator at 705-746-2701 ext. 201.

- Payment will be due by cash or cheque (made payable to the Town of Parry Sound) on the first day of the program.

Arriving at the Building for your Program

- Entry into the BOCC will be permitted through the main entrance no more than 15 minutes prior to the start of your program. This is to ensure our building staff have time to setup and disinfect rooms prior to welcoming users in for registered programs.
- As of September 22, a vaccine passport is required by the Province of Ontario to enter high-risk indoor public settings, including meeting and event spaces, and facilities used for sports and fitness activities such as recreational facilities. The Town of Parry Sound will require participants to provide proof of double vaccination in accordance with Ontario's Enhanced COVID-19 Vaccine Certificate program.
- Participants will be screened by staff before being permitted to enter the facility. To help make this process quick, please complete the COVID screening form online ahead of time on the morning of your program by clicking this link:
<https://forms.parrysound.ca/COVID-19-Screening/Municipal-Facility-COVID-19-Screening>
- Parents or guardians dropping their child/ward off for a program will be permitted entry to the facility (per the rules above) to drop their child off.
- To allow for social distancing, parents or guardians are asked if possible, not to stay in the building during the program time. Exceptions will be made for extenuating circumstances on a case-by-case basis.

Rules While in the Building

- Maintain 2-metres of physical distancing from those who are not in your household.
- Wear a mask that covers the nose, mouth, and chin securely.

- Participants are encouraged to sanitize their hands frequently throughout their visit to the BOCC. Hand sanitizer dispensers are available throughout the facility, and participants are encouraged to bring their own sanitizer for personal use.

At the End of Your Program

- At the end of the program time, building users are asked to exit the building through the side of the building to prevent two-way traffic through the main entrance.
- The facility elevator is available to any patron who requires it.
- Patrons who require an accessible ramp for entry/exit are permitted to exit through the main entrance.
- Parents/guardians who are picking up their child will be permitted into the building to pick up their child/ward in accordance with the rules for entering the facility.

How we are Keeping our Users Safe

- Common areas such as the lobby are cleaned and disinfected at least twice daily (or more often as necessary) to maintain a clean state.
- Lobby washrooms are cleaned and disinfected at least twice daily (or more often as necessary) to maintain a clean state.
- Washrooms in the Hall and Hart room are cleaned and disinfected prior to and/or after scheduled room use to maintain a clean state for user groups.
- Any shared equipment for recreation programs is disinfected prior to and/or after scheduled use to eliminate shared materials between users.
- Building staff are masked at all times while in publicly accessible portions of the building for the protection of building users and staff.

Subject to Changes

- Please note that the Public Health guidelines for indoor public spaces can change with little to no notice. The Town of Parry Sound reserves the right to alter any of the information contained in this document to meet provincial legislation for opening an indoor public space.
- We thank you in advance for your understanding and cooperation!
