1.1 Background Information

The Bobby Orr Hall of Fame opened to the public in 2003 operated by an independent Board of Directors. In 2008 the Town of Parry Sound assumed operations of the Bobby Orr Hall of Fame and Charles W. Stockey Centre. The exhibition first opened in 2003 and has remained relatively static and has reached the end of its lifecycle.

The reimagined Bobby Orr Hall of Fame exhibition will interpret the stories of our inductees including Bobby Orr in an engaging and interactive way. It will provide the context necessary for younger generations to understand and appreciate Bobby Orr's career and influence on the game of hockey and beyond. Additionally, visitors will learn of the many other phenomenal athletes, dedicated coaches, and supporters from the Parry Sound region. Visitors will leave with an understanding and appreciation of the history of Indigenous athletes and their contributions to sport history in the Parry Sound area. Two smaller galleries will offer an examination of the science and technology of sports and information about Georgian Bay and its status as a UNESCO Biosphere Reserve, respectively.
