Contract Agreement

I/we hereby apply to the Town of Parry Sound for residential municipal water and wastewater services at the service address noted on this Service Agreement. I/we agree to and understand the following:

1. To pay for these services as bills are rendered and comply with the conditions for services as set out in the Town's municipal by-laws regarding such services;
2. That the supply of municipal water and wastewater services to property are governed by the Municipal Act, 2001 and may be subject to the discontinuance of water services for non-payment and/or the transfer of arrears to the property tax roll, with priority lien status;
3. That all new water and wastewater accounts are subject to a non-refundable administration fee as per the Town's municipal by-laws.

Notice of Collection of Personal Information

This personal information, collected under the Municipal Act, 2001, as amended, will be used to provide you with ongoing service for billing, collection and conservation, which includes the following purposes:

1. For establishing and maintaining responsible commercial relations with customers including providing services, billing for services, sending notices about services, responding to customer enquiries and otherwise providing customer service;
2. For settlement, processing and the collection of past due accounts including notification of landlords (where applicable) of unpaid accounts;
3. For law enforcement purposes and complying with legal requirements;
4. For effective water and wastewater management and provision of ongoing service to customers, including system planning and conservation planning.

Yes, I wish to receive information regarding optional warranty protection plans for water, wastewater and in-home plumbing.
