GLEN AVENUE AND VICTORIA AVENUE ROAD RECONSTRUCTION NOTICE OF WATER SERVICE INTERRUPTION

We are writing to advise that water service to your home will be briefly interrupted on Thursday, October 16, 2025 or Friday, October 17, 2025 (weather dependent), between 9:00 a.m. and 5:00 p.m. The interruption is required to facilitate construction of the new water services being connected to the new water main on Victoria Avenue. The water service will be interrupted for approximately 15 minutes, with the Contractor providing advance notice by door-to-door notification.

We advise you to turn off your main water shut-off located on your incoming water line (usually next to the water meter) inside your home.

The work may disturb accumulated rust in the existing water main which could result in discoloration of the water. It is recommended that all residents check their water for rust prior to use as discoloration of laundry, etc. could occur.
