

Notice of Construction – November Update

Dear Resident,

We are writing on behalf of the Town of Parry Sound to provide an update on the Wood Street construction project in your area. Please find the details below:

AREA OF CONSTRUCTION:

Wood Street and Isabella Street, from Marion Avenue to Winnifred Avenue

CONSTRUCTION SCHEDULE:

Part A – Wood Street: October 27, 2025 to December 2025 (weather dependent)

Part B – Isabella Street: October 27, 2025 to December 2025 (weather dependent)

Part C – Isabella Street: Spring 2026

PROJECT OVERVIEW:

The Town will be proceeding with the closeout of remaining work with Weeks Construction Inc., who are scheduled to mobilize on-site during the week of October 27, 2025. Construction will continue through December, with the goal of completing as much work as possible before winter and ensuring resident safety. Construction activities will resume in Spring 2026 to complete the outstanding work from the 2025 season, including final surface restoration, landscaping, and any remaining utility connections.

KEY ACTIVITIES INCLUDE:

- Final water service connections
- Transitioning all residents to the new watermain
- Decommissioning the temporary above-ground watermain
- Restoring Wood Street with a temporary asphalt surface to facilitate winter snow removal

Tatham Engineering and the Town of Parry Sound will make every effort to keep residents informed of any major schedule changes. We appreciate your continued cooperation and patience throughout the construction process.

SAEFTY REMINDER:

Please remain alert to construction activities, vehicles, and personnel, especially when passing through or near active work zones.

Additionally, if you have any questions or concerns regarding access to your property during construction or site safety, please contact Weeks Construction Inc. who are responsible for the care and control of the site and all related construction activities within it.
