

## Obstruction of sidewalk application

The Town of Parry Sound By-law 2007-5150, as amended, restricts and regulates the placement of objects in, on, under and over sidewalks and obstructions and encumbrance of such sidewalks. The bylaw provides: a minimum sidewalk width clearance of 1.2m and over head clearance of 2.8m to be maintained. If the minimum standard cannot be met a pedestrian travel path may be required. Please provide accurate details of the obstruction and how you will ensure pedestrian safety and accessibility.
