

TOWN OF PARRY SOUND
ISABELLA STREET AND CASCADE STREET
NOTICE OF EMERGENCY WATER SERVICE INTERRUPTION

We are writing to advise that water service to your home may be interrupted on Tuesday November 18th, 2025 from approximately 9:00 a.m. and 3 p.m. The emergency interruption is required to facilitate repairs to the Town's water system at the Cascade and Isabella Street intersection.

We advise you to turn off your main water shut-off located on your incoming water line (usually next to the water meter) inside your home.

The work may disturb accumulated rust in the existing water main which could result in discoloration of the water. It is recommended that all residents check their water for rust prior to use as discoloration of laundry, etc. could occur.

When water service is restored:

1. If you closed the incoming water line valve, please re-open it
2. Please remove the sediment screen from the inside of a cold-water tap and allow water to run until the water is clear in colour. Replace the sediment screen.

Should you have any questions or concerns, please contact one of the following:

Public Works Department Administrative Assistant

Town of Parry Sound

52 Seguin Street, ON, P2A 1B4

Tel: 705-746-2101 Ext. 236

Email: publicworks@parrysound.ca
