

Pre-Authorized Payment Plan for Water and Sewer Billings

For your convenience, the Town of Parry Sound has a pre-authorized payment plan (PAP) available for the payment of your water and sewer account. Through the PAP program the Town will receive your authorization for your bank to make a monthly payment to the Town of Parry Sound directly from your bank account.

How does the PAP Work?

The pre-authorized payment plan will be performed on a monthly basis, from January to December of each calendar year. For the current utility bill, the amount will be removed from your bank account on the due date. Only those utility accounts which are in good standing will be allowed to enroll in the PAP plan. If the account is in arrears then the customer must pay the balance due, in full, before enrolling in the program.

It is the responsibility of the utility account customer who signs up for this program to notify the Town's Utilities and Billing Clerk if there is a change in their banking information, or if they move. If a withdrawal from your account is not honoured by the bank, then your utilities account will be subject to a returned item charge and will result in the cancellation of your PAP plan with the Town of Parry Sound.

Will you still receive Water and Sewer Bills?

All customers will receive a water and sewer bill regardless of their method of payment. It will be noted on the bill that this is a statement for your information only.

How do you sign up for PAP?

If you are interested, please complete the form provided on the back of this notification or you may obtain an application form by contacting the Utility Billing and Collection Clerk at 705-746-2101, Ext. 260 or coming to the Town Office at 52 Seguin Street,
